

HIMANSHU AGARWAL

FULL STACK MERN DEVELOPER

Jaipur, Rajasthan, India | himanshuagarwalskr@gmail.com | +91 84410-97957
www.thehimanshu.tech | linkedin.com/in/himanshuagarwal04 | github.com/TechyCyb3r

Full Stack (MERN) Developer with experience in building responsive and scalable web applications using MongoDB, Express.js, React.js, Node.js, Next.js, TypeScript, JavaScript, HTML, and CSS. Built 8+ production-ready web applications with hands-on experience in developing REST APIs, integrating databases, implementing secure authentication, and creating clean, user-friendly interfaces. Focused on writing maintainable code, improving application performance, and delivering reliable solutions in collaborative development environments.

PROFESSIONAL EXPERIENCE

MERN Stack Developer (Intern) - Technoglobe

Dec 2025 - May 2026

- Developed and maintained web applications using React.js, Node.js, Tailwind CSS, and Material UI with a focus on responsive and reusable components.
- Improved application performance and collaborated with the development team using Git and GitHub to deliver scalable features.

PROJECTS

WorkSphere: Human Resource Management System

worksphere.thehimamsnu.tech

- "Built a full-stack HRMS platform featuring employee management, attendance, leave, payroll, role-based access control, and a responsive admin dashboard with secure authentication."

SecureFin: A loan application system

securefin.thehimanshu.tech

- Developed a full-stack loan application platform with secure authentication, document uploads, and a role-based admin dashboard.

iNoteX

inotex.thehimamsnu.tech

- Developed a secure cloud-based MERN note management application with JWT authentication, tagging, and real-time updates.

EDUCATION

Masters of Computer Application - JECRC University, Jaipur

May 2024 - May 2026

- Specialized in Cloud Computing and Full Stack Development through an IBM-integrated curriculum with hands-on experience in modern web technologies.

Bachelors of Computer Application - Balaji College, Sikar

Aug 2021 - Oct 2024

- Built a strong foundation in programming, databases, and software development through academic web development projects.
